

receiving the Golden Chamber of Commerce Ambassador of the Year award.

Craig has been very active in promoting the Golden Chamber of Commerce in several ways. Attending ribbon cuttings, grand openings, ground breakings and mentoring new chamber members. Craig's attitude is positive, enthusiastic, and infectious.

As a member of the Golden Chamber of Commerce, Craig has been very active with the Golden Saturday Farmers market. Arriving at 5:00 a.m. for seventeen Saturday's, helping set up Chamber activities. His peers consider him the most efficient storage arranger ever. He can fit many items in a very small space.

I extend my deepest congratulations to Craig Baker for his well deserved recognition by the Golden Chamber of Commerce. I have no doubt he will extend the same dedication and character in all his future accomplishments.

HONORING OFFICER AMANDA
HAWORTH

HON. FREDERICA S. WILSON

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Monday, February 28, 2011

Ms. WILSON of Florida. Mr. Speaker, I rise in sadness over the tragic loss of Officer Amanda Haworth. Officer Haworth was a patriot dedicated to upholding and defending the rule of law. She served above and beyond the call of duty as an officer with the Miami-Dade County Police Department.

Officer Haworth was born on August 5, 1966, and graduated from Miami Sunset High School in 1984. She joined the Miami-Dade Police Department in October 1988. Upon graduating from the police academy, she was assigned to the Northside Station. Her dedication to her duties encouraged her to further her career, later transferring to the Warrants Bureau, Felony Apprehension Unit in 1994.

Her initiative and tenacity to keep our community safe inspired her to transfer to the Strategic and Specialized Investigations Bureau, Career Criminal Section in January of 2003. Her professionalism and dedication to her profession earned her respect and admiration within the law enforcement community.

Officer Haworth's life and legacy remind us of the noble commitment of public service. Although we lost her too soon, her memory will forever live on in the lives of her family and colleagues in the law enforcement community.

Officer Haworth leaves behind a legacy of achievement and inspiration, for she was an example of what genuine caring and unrelenting commitment can accomplish. She gave tirelessly for the benefit of those around her and will be sorely missed. My thoughts and prayers are with the Haworth family, her sons Austin Haworth and Jason Mitchell, her life partner Sgt. Rosie Diaz, and her loving parents, Robert Haworth and Susanne Miller.

HONORING THE TOWN OF LUBEC,
MAINE

HON. MICHAEL H. MICHAUD

OF MAINE

IN THE HOUSE OF REPRESENTATIVES

Monday, February 28, 2011

Mr. MICHAUD. Mr. Speaker, I rise today to recognize the town of Lubec, Maine as it celebrates its bicentennial this year.

For two hundred years, America's day has begun in Lubec, its Quoddy Head Light having long been touted as the easternmost point in the contiguous United States. Situated next to President Franklin Roosevelt's beloved Campobello Island on the Bay of Fundy, Lubec is a small town of just under 2,500 hard-working Mainers.

Lubec has always been associated with the sea, not just due to its proximity, but for its industry as well. In 1797, the first herring was cured by smoke in Lubec, ensuring that the town would become a leader in smoked herring production. Later, Lubec would become a leader in sardine canning, creating jobs and opportunities for communities in the Down East. Today, fishing is still a major part of the local economy.

The town has also been at the forefront of American history. As the Civil War raged, 200 soldiers left Lubec to defend the Union. 26 made the ultimate sacrifice and did not return home. Despite being closer to Canada than any other part of the nation, nearly one in twelve residents in Lubec fought to ensure that the rest of the nation would stand united.

While the days of the canneries and smokehouses have come and gone, Lubec stands firm and strong as it heads into its next century. With its beautiful coastline and wonderful outdoor opportunities, people from across the nation continue to travel to Lubec each year and recognize the strength of its community.

Mr. Speaker, please join me in wishing all the citizens of Lubec well on this monumental and joyous occasion.

BOB LIST

HON. ED PERLMUTTER

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Monday, February 28, 2011

Mr. PERLMUTTER. Mr. Speaker, I rise today to recognize and honor Bob List and Dennis Eggemeyer for receiving the Charlie O'Brien award from the Golden Chamber of Commerce.

This award goes to members who are well respected within the organization and are motivated by an unselfish desire to contribute to the community for the betterment of greater Golden.

Bob and Dennis were members of Mayor Jacob Smith's committee "Summit on Sustaining Golden's Retail Economy". An idea acted upon was Golden's First Friday Street Fair. The main purpose of this idea was to bring people to historic downtown Golden to see and experience a good time with hopes they will return on a regular basis.

Bob and Dennis faced several obstacles in their research but never gave up their pursuit of putting this event together. With cooperation

from many groups, the obstacles were worked out and the success story can now be told.

In the summer of 2010 there were five street fairs bringing crowds estimated to be at least two thousand per event, residents having fun meeting and networking. The only negative to report is "there should be more of these street fairs throughout the year" which has been taken under advisement.

I extend my deepest congratulation and gratitude to Bob List and Dennis Eggemeyer for this well deserved recognition by the Golden Chamber of Commerce. Thank you for making our community a better place for all of us to live.

FULL-YEAR CONTINUING
APPROPRIATIONS ACT, 2011

SPEECH OF

HON. MARTIN HEINRICH

OF NEW MEXICO

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 17, 2011

The House in Committee of the Whole House on the State of the Union had under consideration the bill (H.R. 1) making appropriations for the Department of Defense and the other departments and agencies of the Government for the fiscal year ending September 30, 2011, and for other purposes:

Mr. HEINRICH. Mr. Chair, I rise today to object to the amendment submitted by Mr. PENCE, which would deny Planned Parenthood health centers federal funding for family planning services, HIV testing and counseling, programs to prevent infertility, and breast and cervical cancer screenings.

The Pence amendment would cut off millions of American women from their only source of primary care. One in five American women has accessed health care at a Planned Parenthood health center. In 2010, Planned Parenthood of New Mexico provided 1,995 Pap smear tests and 281 breast exams. Services such as these save lives.

Instead of focusing on the issues Americans are most concerned about, House Republicans are targeting women's health care programs and women's health providers under the guise of deficit reduction. These proposals do nothing to improve the economy, they will result in job losses, and they will cut off millions of American women from their only source of primary and preventive care. At a time when more and more women and families are facing difficulties in accessing health care due to increasing costs and a struggling economy, members of Congress should be doing everything they can to ensure that women have access to the health care they need and the trusted providers in their community.

I urge my colleagues to vote against this amendment.

HON. LEE TERRY
